About

Ahmed Fouad AlJizawi founded Al Foadia in 1977 based on the core values of honesty, quality, teamwork, integrity and commitment. Today, the company's reach is nation-wide and our people uphold its founder's vision to provide valuable services to clients, build partnerships and deliver unmatched quality of service.

Dedication to quality of service, hard work and responsiveness to clients' needs are the company's credo and behind our success in such a competitive market. Our ability to address changing conditions and demands, attract and serve diverse sectors and expand our services resulted in a growth far beyond our founder' dreams.

Al Foadia embraces knowledge and business development methods to improve efficiency and enhance client value. We provide general contracting, construction management and general trading services - delivering maximum return on investment to our clients across the kingdom.

We take pride in our work and produce quality services and products that meets or exceed expectations.

Chairman's Message

For all customers, Quality is the key factor as it represents the basic foundation to choose any distinct multi-service provider supported by delivery with extensive experience. This help us to pursue for what we aim for our group's success. We're keen to continually maintain and provide high standard to achieve the desired results.

The promising talents and well trained hands that harness the techniques to serve our customers with all their needs with best standards and guaranteed service satisfaction.

Our quality of services are based on the following principles:

- ◆ Meet our customers' demands at all times.
- ◆ Provide the best competitive price for all services provided.
- ◆ Give exceptional service experience with highest quality.
- ◆ Comply with ISO "Quality Management System"

Ahmed Fouad Al Jizawi
Founder and Chairman

Our Vision

To be Saudi Arabia's highest value provider of contracting and trading services.

We feel that earning trust by doing **what we say we'll do** is the only way to conduct business. As one of the prominent service provider in the country, AlFoadia is a known leader in many major market segments - governmental , healthcare , banking , commercial , telecommunication and retail.

Our Core Values

Honesty

We are honest the way we do business and the way we communicate to the world.

Quality

We believe and strive to deliver Quality and this is what we promise, nothing less.

Respect

We give human value to every individual we deal with - internally and externally.

Commitment

Our core spirit is to execute all we do with great excitement and enthusiasm.

Our perseverance make us unique as a company, allowing us to deliver the best results now and in the future.

History

Established in 1397H (1977G) as Al Foadia Group General Trad'g, Contr'g & Industry is a 100% Saudi owned company.

Served more than 100 Companies during the last 40 years covering all Business aspects for the Banking, Governmental, Private and Public sectors in Saudi Market.

We are one of the few trusted and valued Companies in the Kingdom that provides comprehensive services.

We implement and pursue a Total Quality Management Program (TQMP) in all activities with the help of a dedicated Total Quality Management Team, certified by ISO9001 2015 standards in our daily activities certified by UKAS.

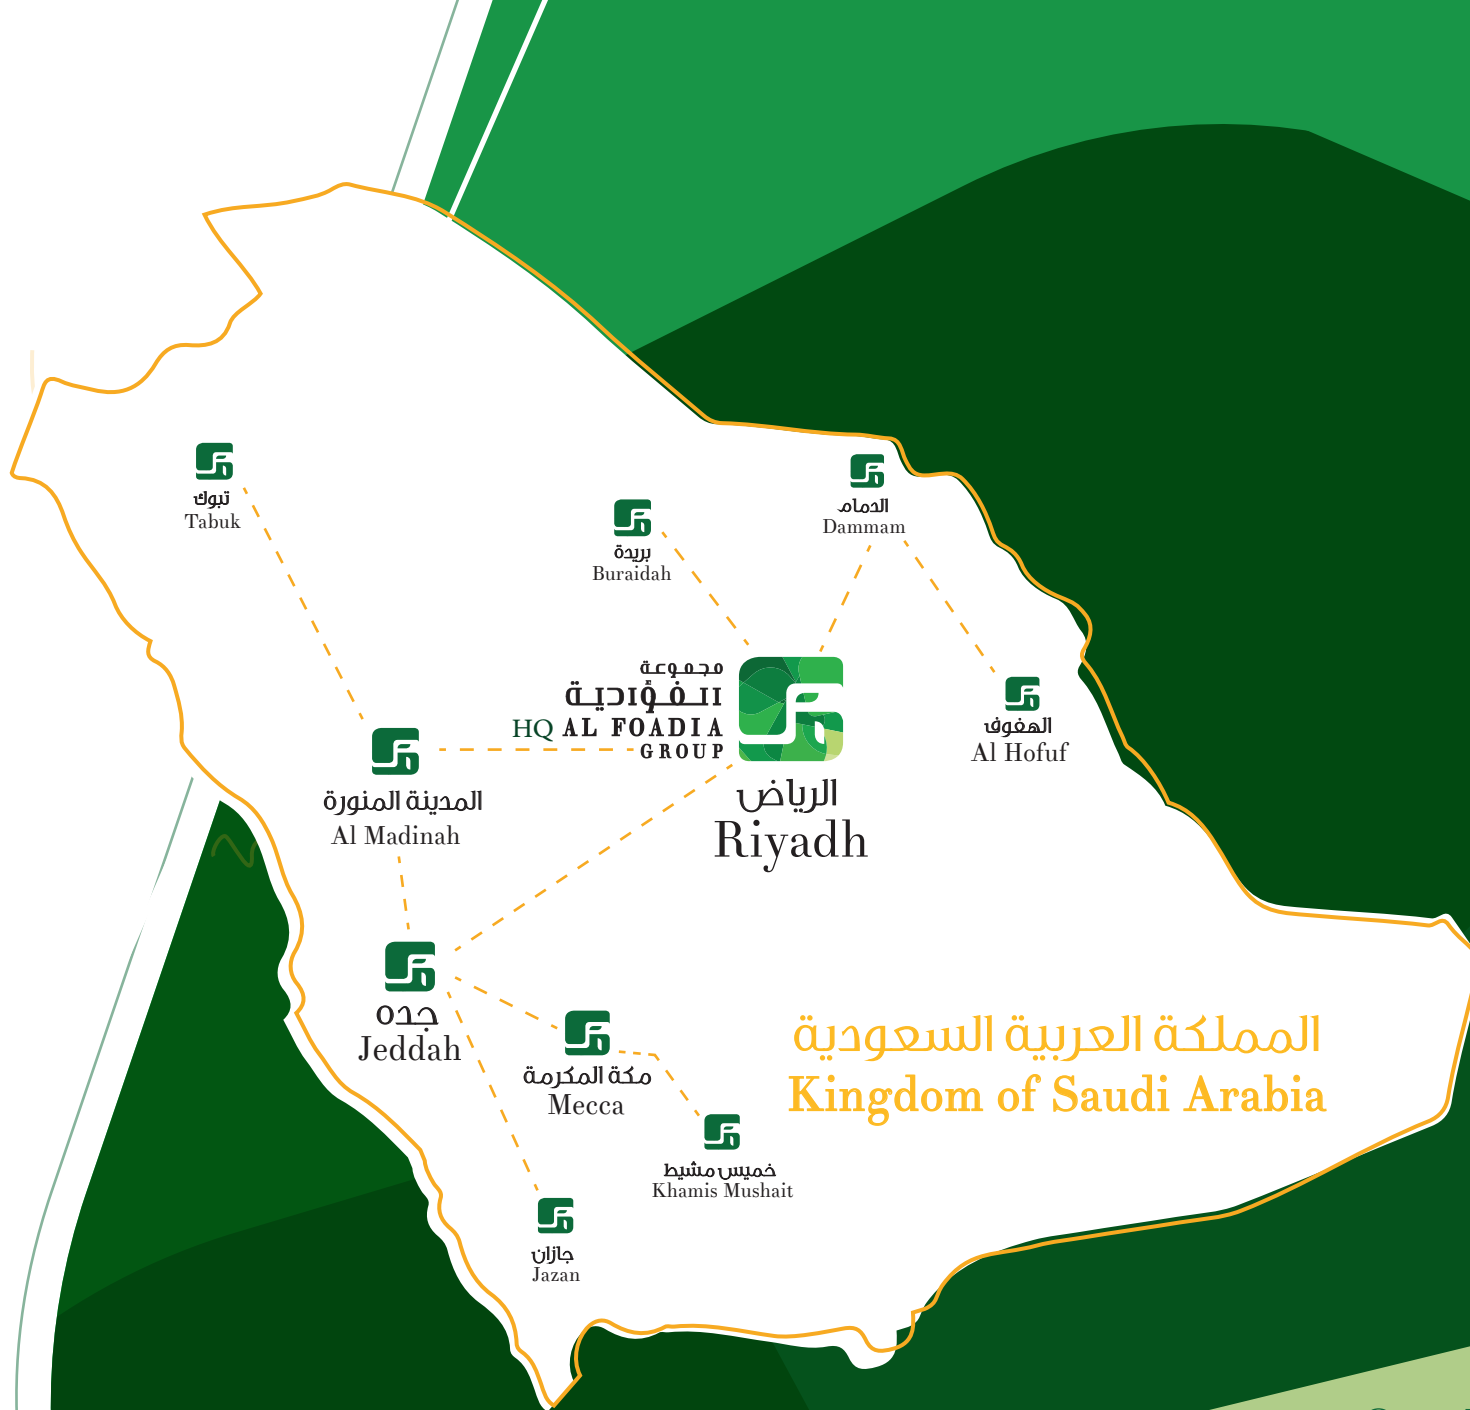

As a family business, AlFoadia's key positions in Management, chaired by Al Jizawi family members dedicated towards client satisfaction and requirements.

We recognize the need of doing business that utilizes organization and communication skills to provide better service' experience.

We are a trusted leader in the service industry, earning our esteemed position by Consistently and persistently exceeding the expectations and demands.

We are committed to customer care and satisfaction. We have a 24/7 help desk to support our customer service.

By recruiting, training and equipping a diverse group of dedicated, skilled and motivated professionals, we assure the finest service. We communicate effectively with our teams, conveying client concerns and we closely monitor progress performing regular inspections, we guarantee results. We also encourage our team to actively seek out new ways to improve service quality.

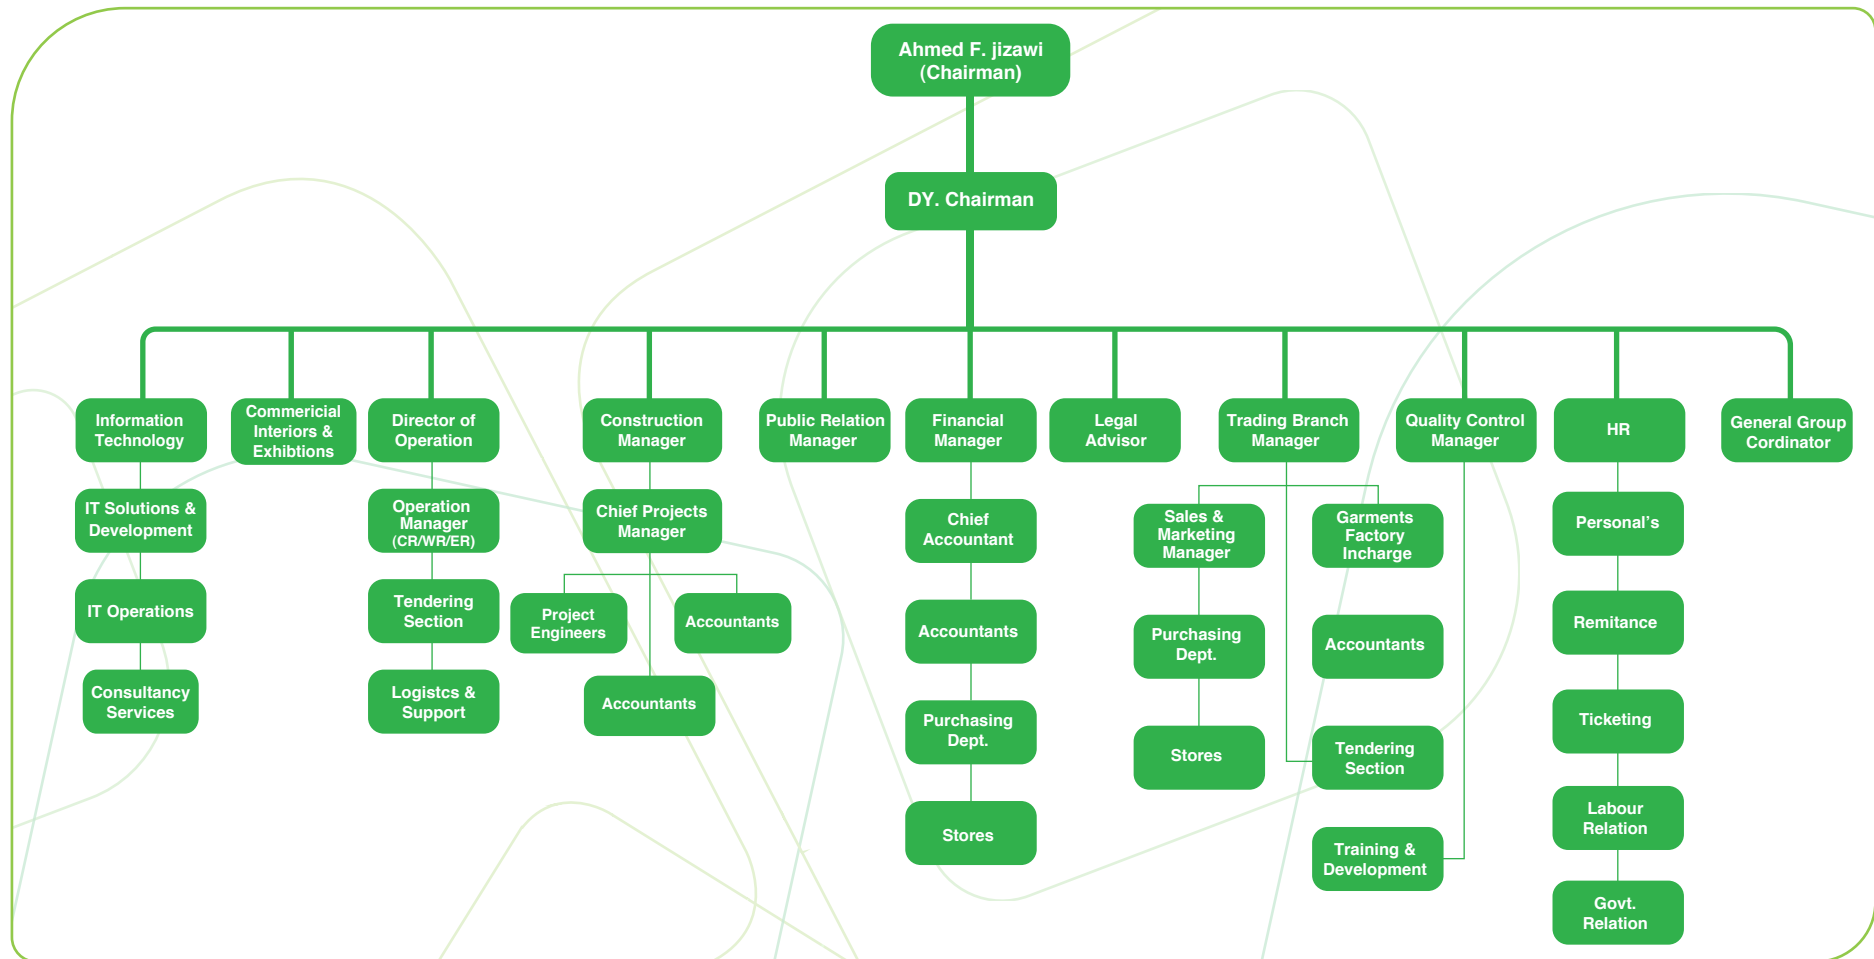

Our Network is distributed
over the **KINGDOM**

Our Team

We have more than 3,000 employees, working across Kingdom of Saudi Arabia.

Our people bring technical knowledge, experience, and resourcefulness to deliver the best for our clients. Our people come from all different cultures of the world. Wisely selected, our rigorous staff selections procedures, in-house training and development programs, and reward structures ensure that we identify, attract and retain the best in the market.

Facility Management Services

Janitorial Services

Hospitality Services

Washroom & Hygiene Services

Gardening & Landscaping Services

Pest Control Services

General Building Maintenance

For all types of organizations Public, Private or Governmental

Staffed by experienced industry specialists in all key sectors, AlFoadia Facilities Management has grown to become the choice for more than forty years within the Saudi Arabia, the region's most competitive Facility Management market.

We provide a complete range of services that relate to activities necessary for your company to function, providing you with a single point of contact for all your facility needs.

We thrive to provide you with facilities management service to improve the daily running of your workplace and to reflect the image you want to create.

Janitorial Services

We provide our clients with all of the most common and important janitor services no matter the size of your company or facility.

Equipped with specialized machinery and updated tools, own fleet of vehicles, and a well trained workforce, our cleaning section continues to provide service beyond the expectations.

Hospitality Services

Our hospitality team is Confident, experienced and give special care and attention to every detail.

Our staff are selected on merit of their tea / coffee preparation and serving skills, presentation and reliability - People who know what they're doing and who are able to deal with themselves and others professionally.

Washroom & Hygiene Services

Our washroom services are designed to provide everything that's required to keep washrooms looking good, clean and smell refreshing, minimizing all hygienic health risks.

Gardening & Landscaping Services

We strive to help maximize the property value by providing "Green Peace of Mind." Our landscaping services include garden and ground design in addition to maintenance.

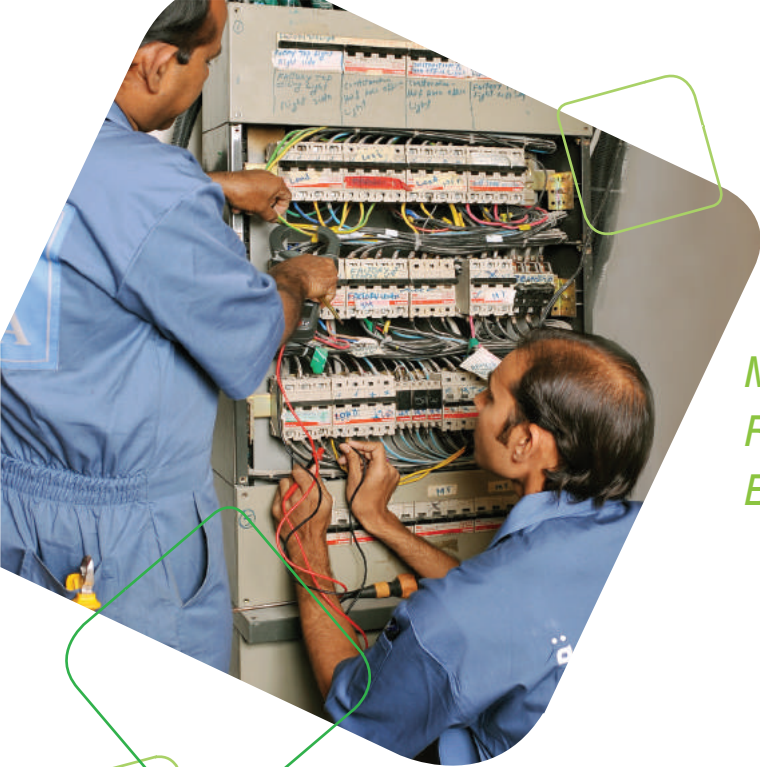

We choose plants that are suited to your environment.

Pest Control Services

A complete range of pest control services from general pest control for common pests like cockroaches, flies, fleas, bed-bugs and mosquitoes to building protection against termites, we specialize in fumigation services.

*Maintaining and
Repairing your
Building with ease.*

General Building Maintenance

From damage repairs to re-pointing, rendering and plastering or concrete repairs we take care of every detail of your building.

Experienced in complete operation and maintenance of all types of buildings with fully qualified teams specialized in Heating / Ventilation & Air Conditioning (HVAC), Plumbing, Mechanical, Electrical and civil engineering fields.

Construction

◆ Building Construction

◆ Refurbishment and Renovation

2

Building Construction

We start projects ahead of the game as we ensure the same team that bids the work. With the booming development in the construction sector witnessed in Saudi Arabia, we have put in place a specialized unit with qualified members committed to deliver on time with the highest standards.

Our engineers challenge themselves to lead as examples. We plan, develop and execute any type of **civil, architectural, electro-mechanical and plumbing** for any kind of buildings.

This Building Construction division driven by the following Goals and Sharing best practices in mind:

- ◆ Top-to-bottom management commitment
- ◆ Monitoring the evolution of the Building industry, regulations and technologies.
- ◆ Empower quality of workmanship
- ◆ Employee training and Skill development for all of our technical team.
- ◆ Committed in meeting deadlines and completion of the projects.
- ◆ Regular follow-ups on projects.
- ◆ Develop a thorough, site-specific Quality Plan for any project
- ◆ Maintain the highest ethical standards
- ◆ Comply with all laws, rules, and regulations.

Refurbishment and Renovation

Combining four decades of building experience and outstanding attention to detail we became one of few who are most relied upon refurbishment and renovation solutions. A well-established management and supervisory structure and detailed company policies, Great project management are the key to successful refurbishment projects and it's something at which we excel, ensuring renovations come in on budget and on time. We manage from government buildings and retail stores to local buildings refurbishment work, we provide the complete property refurbishment and renovation service, working for a wide variety of commercial, educational, private and governmental clients across Saudi Arabia.
